

POWERLINE TECHNICIAN

WHITBOURNE – CLOSING DATE: FEBRUARY 4, 2019

COMPETITION NUMBER: NPJP-2019-20328

Are you ready to explore an exciting career in a fast-paced, high-performance environment?

If you are seeking a challenging and rewarding career with room for continuous advancement and a competitive compensation package, have we got an opportunity for you! We are looking for a highly motivated team player with a strong commitment to safety and customer service, an excellent work ethic, and effective interpersonal and communication skills.

As a valued member of our Operations Team, you will be responsible for: installing and maintaining energized and de-energized power lines at various voltages; interpreting single line drawings and specifications; inspecting and maintaining tools, equipment, and vehicles used to carry out line work; and, performing other duties related to this position.

Your qualifications include a Powerline Technician Operating Red Seal Certificate and a valid class 3 motor vehicle drivers' license with air brake endorsement. You have demonstrated an excellent knowledge and solid understanding of utility safety procedures, standards and work methods. As well, you consistently display initiative and productivity in your job duties. You must possess strong computer skills and be able to execute technical tasks with precise attention to detail. Excellent planning and organizational skills are essential to the position.

There is a residency requirement for this position, whereby your primary residence must be within 40 km of the Whitbourne office. Compensation is per the current Collective Agreement.

Apply online at newfoundlandpower.com/en/About/Careers/Career-Opportunities. We thank all applicants for their interest but only those selected for an interview will be contacted.

WHENEVER. WHEREVER.
We'll be there.
