

# IT APPLICATION ANALYST - IT SOLUTIONS DELIVERY

ST. JOHN'S – CLOSING DATE: MARCH 25, 2019

COMPETITION NUMBER: NPJP-2019-21260

## Are you ready to explore an exciting career in a fast-paced, high-performance environment?

If you are seeking a challenging and rewarding career with room for continuous advancement and a competitive compensation package, have we got an opportunity for you! We are looking for a highly motivated team player with a strong commitment to safety and customer service, an excellent work ethic, and effective interpersonal and communication skills.

As a valued member of our Technology Team, you will be responsible for the development, advancement, maintenance and lifecycle management of a number of mission critical applications across multiple technologies. You will be responsible for the PI (Osisoft) operational data management and reporting system for utility power data analytics. You will apply your previous experience with data warehouse/business intelligence, reporting and analytics technologies to enhance Company operations. You will work in a team environment to enhance and maintain COTS software applications, Microsoft .Net custom designed electric utility software, and integrations designed using Microsoft BizTalk; while consulting with others to address technology issues and provide solutions.

Your qualifications include a university degree or college diploma in Information Technology, supplemented by 5 years' experience in enterprise software design and development, integrations, reporting and analytics. You must have experience using enterprise database technologies including SQL Server and/or Oracle. Experience with Corporate Historians, .NET application programming and BizTalk would be considered an asset. You thrive in a multi-project environment where your ability to transition quickly between projects and work tasks is required.

Apply online at [newfoundlandpower.com/en/About/Careers/Career-Opportunities](http://newfoundlandpower.com/en/About/Careers/Career-Opportunities). We thank all applicants for their interest but only those selected for an interview will be contacted.
