

SAFETY & ENVIRONMENT ANALYST

ST. JOHN'S – CLOSING DATE: APRIL 22, 2019

COMPETITION NUMBER: NPJP-2019-22429

Are you ready to explore an exciting career in a fast-paced, high-performance environment?

If you are seeking a challenging and rewarding career with room for continuous advancement and a competitive compensation package, have we got an opportunity for you! We are looking for a highly motivated team player with a strong commitment to safety and customer service, an excellent work ethic, and effective interpersonal and communication skills.

As a valued member of our Safety and Environment (S&E) Team your responsibilities will include: administering the Company's safety and environment data management and reporting application (Intalex); providing training and support to key system users; and designing and developing dashboards and reports to ensure the effective management of S&E performance. Duties include application management; data quality assurance and analysis; and, monitoring and reporting in accordance with industry benchmarks and key performance indicators (KPIs). In addition, this position will provide technical support, training, and assistance with the maintenance of S&E programs, the development and delivery of S&E initiatives, and perform related duties to support the Company's S&E functions.

Your qualifications include a post-secondary diploma in the field of Safety or Environment Engineering Technology, supplemented by a minimum of 4-7 years' experience. You have strong computer proficiency in MS Office, including Word, Excel and PowerPoint. Familiarity with Intalex and understanding of data management are assets. You work both collaboratively and independently, and have the ability to convey technical concepts to non-technical individuals. You have strong problem solving and analytical skills and exceptional judgment to achieve results.

Apply online at newfoundlandpower.com/en/About/Careers/Career-Opportunities. We thank all applicants for their interest but only those selected for an interview will be contacted.

WHENEVER. WHEREVER.
We'll be there.
