

# FINANCIAL ANALYST

ST. JOHN'S – CLOSING DATE: JANUARY 7, 2021

COMPETITION NUMBER: NPJP-2020-31691

## Are you ready to explore an exciting career in a fast-paced, high-performance environment?

If you are seeking a challenging and rewarding career with room for continuing advancement and a competitive compensation package, have we got an opportunity for you! We are looking for a highly motivated team player with an excellent work ethic and effective interpersonal and analytical skills.

As a valued member of our Business & Regulatory team, you will play a key role in the development and management of complex financial models, including net present value analyses. You will also be responsible for facilitating the efficient and effective management of budgets, forecasts, and expenses. This includes preparing financial reports, analyzing results and explaining variances. You will be regularly involved in a variety of special projects.

Your qualifications include a university degree or three year college diploma with a concentration in accounting or finance, supplemented by four years related experience. Enrolment in or recent completion of the Chartered Professional Accountant ("CPA") designation is preferable. You must demonstrate proficiency in Microsoft Excel and the ability to communicate results in an effective and organized manner. You have the ability to plan, lead and execute multiple projects to promote efficient utilization of resources and meet deadlines.

Apply online at [newfoundlandpower.com/en/About/Careers/Career-Opportunities](https://newfoundlandpower.com/en/About/Careers/Career-Opportunities). We thank all applicants for their interest but only those selected for an interview will be contacted.
