

ENGINEER (ELECTRICIAL)

ST. JOHN'S – CLOSING DATE: APRIL 5, 2021

REFERENCE NUMBER: NPJP-2021-33485

Are you ready to explore an exciting career in a fast-paced, high-performance environment?

If you are seeking a challenging and rewarding career with room for continuing advancement and a competitive compensation package, have we got an opportunity for you! We are looking for a highly motivated team player with an excellent work ethic, and effective interpersonal and analytical skills.

As a valued member of our Substations Team, your key responsibilities will include: the design and construction of substation projects; the engineering related to the purchase and installation of substation equipment; and, the design of the associated protection, control, and automation systems. Work will involve the development of electrical schematics, equipment specifications, tenders, protection panel layouts, and substation layouts. You will provide technical leadership to the team and be encouraged to explore new technologies.

Your qualifications include a Bachelor's degree in Engineering (Electrical). You must be eligible for membership with PEGNL. You are proficient in the use of Microsoft products and are familiar with AutoCAD. Experience in substation design, electrical schematics, and high voltage equipment would be considered an asset.

At Newfoundland Power, we accept and celebrate our differences. We are committed to fostering an inclusive and diverse workplace which reflects the communities we serve. A place where everybody is able to bring their whole selves to work and reach their full potential. We strive to ensure each team member feels valued, respected and supported.

We encourage applications from diverse candidates and will provide support to applicants during the recruitment process. If you require accommodation for any reason during the interview process, please let us know your needs which will be kept in confidence.

Apply online at newfoundlandpower.com/en/About/Careers/Career-Opportunities. We thank all applicants for their interest but only those selected for an interview will be contacted.

WHENEVER. WHEREVER.
We'll be there.
