

ELECTRICAL MAINTENANCE PERSON (Apprentices may apply)

TOPSAIL ROAD, ST. JOHN'S – CLOSING DATE: APRIL 9, 2021

REFERENCE NUMBER: NPJP-2021-32063

Are you ready to explore an exciting career in a fast-paced, high-performance environment?

If you are seeking a challenging and rewarding career with room for continuing advancement and a competitive compensation package, have we got an opportunity for you! We are looking for a highly motivated team player with an excellent work ethic, and effective interpersonal and analytical skills.

As a valued member of our Electrical Maintenance Team, you will be responsible for: the installation, inspection and preventative/corrective maintenance of substation, generation, relay and control and other electrical equipment; completion of inspection and maintenance reports; running of conduits and control cables; participation in substation construction projects; operation of substation and generation facilities; and, other duties as assigned. Work will require utilization of specialized test equipment and associated computer software.

You are certified as a Journeyperson Industrial or Construction Electrician in accordance with the Interprovincial Standards Red Seal Program, or are a registered Industrial or Construction Electrician Block 3 or 4 Apprentice. Experience in the installation, troubleshooting and maintenance of high and low voltage substation equipment such as power transformers, circuit breakers, reclosers, voltage regulators, instrument transformers, etc. is required although related experience will be considered. You must hold and maintain a valid motor vehicle driver's license. Periodic travel within Newfoundland Power's service territory will be required. **There is a residency requirement for this position, whereby your primary residence must be within 40km of the Topsail Road office.** Compensation is in accordance with the current Collective Agreement.

Applications will require a detailed resume and copy of your red seal certificate, and for apprentices, a copy of your transcript and certificate from your training institution and a confirmation of hours registered and year of apprenticeship from the Apprenticeship and Trades Certification Division.

At Newfoundland Power, we accept and celebrate our differences. We are committed to fostering an inclusive and diverse workplace which reflects the communities we serve. A place where everybody is able to bring their whole selves to work and reach their full potential. We strive to ensure each team member feels valued, respected and supported.

We encourage applications from diverse candidates and will provide support to applicants during the recruitment process. If you require accommodation for any reason during the interview process, please let us know your needs which will be kept in confidence.

Apply online at newfoundlandpower.com/en/About/Careers/Career-Opportunities. We thank all applicants for their interest but only those selected for an interview will be contacted.

**WHENEVER. WHEREVER.
We'll be there.**
