

PLANNER (TRANSMISSION & DISTRIBUTION)

CARBONEAR – CLOSING DATE: APRIL 11, 2018

COMPETITION NUMBER: NPJP-2018-15205

Are you ready to explore an exciting career in a fast-paced, high-performance environment?

If you are seeking a challenging and rewarding career with room for continuous advancement and a competitive compensation package, have we got an opportunity for you! We are looking for a highly motivated team player with a strong commitment to safety and customer service, an excellent work ethic, and effective interpersonal and communication skills.

As a valued member of the Regional Operations Team your responsibilities will include: performing transmission and distribution line inspections using hand held mobile computer; reviewing work requests; planning corrective action work orders and projects; and, reviewing and closing out work orders. You will work with T&D Engineering and Supervisors to ensure priority deficiencies are communicated and completed in a timely manner. You will be involved in: effectively implementing the Vegetation Management Program; determining tree trimming and brush clearing requirements; planning work orders including cost estimates; and, supervising the work. This function requires an individual with excellent customer service skills, superior contract administration skills and a keen focus on safety and the environment.

Qualifications include a Powerline Technician (Operating) certificate or an Electrical Engineering Technology diploma supplemented by a minimum of 5 years' experience. You must hold and maintain a valid motor vehicle driver's license. Proficiency with computer-based programs such as Microsoft Office is necessary. Working knowledge of Avantis and Great Plains software would be an asset. Supervisory experience including oversight of contractors would be also be an asset. There is a residency requirement for this position, whereby your primary residence must be within 40 kilometres of the Carbonear office. Compensation is as per the current Collective Agreement.
